Joint Admission test for Masters **(JAM)** is conducted by IITs since 2004-05 and has evolved as the de-facto examination used for admission to a large number of postgraduate programmes in IITs, IISc, IISERs and NITs. The objective of JAM is to help a large number of bright undergraduates in science stream to pursue science as a career option. These programmes offer high-quality education in their respective disciplines, comparable to the best in the world. The curricula for these programmes are designed to provide the students with opportunities to develop academic talent leading to challenging and rewarding professional life. The curricula are regularly updated at the IITs. The interdisciplinary content of the curricula equips the students with the ability to utilize scientific knowledge for practical applications. These programmes are open to all eligible students irrespective of their nationality. The medium of instruction is English for all the above-mentioned programmes. A number of financial assistantships are available to SC, ST and other deserving/meritorious students at IITs. IIT Delhi is the Organizing Institute for JAM 2025 examinations and also the coordinating institute for admissions. JAM 2025 Examination was conducted on Sunday, February 02, 2025 as a Computer Based Test in SEVEN Test Papers, namely, Biotechnology (BT), Chemistry (CY), Economics (EN), Geology (GG), Mathematics (MA), Mathematical Statistics (MS), and Physics (PH). The results for this examination were declared on **March 18, 2025**.
