

Aether Hunt

The Physics Club inaugurated its event series with **Aether Hunt**, a thrilling physics-based treasure hunt that took place across the IIT Mandi campus. With an overwhelming participation of around 100 students, the event combined adventure, intellect, and teamwork in a uniquely engaging way. Designed to be both fun and challenging, *Aether Hunt* encouraged participants to apply fundamental physics concepts while navigating clues and tasks scattered throughout the campus. The vibrant enthusiasm, collaborative spirit, and competitive energy displayed by the students turned the event into a resounding success. Adding to the excitement, the top three teams —

Winner: Team Name: Room No. 001

Team Members: Vishak Harish(V24062) , Mohd. Danish(V24056) , Samir Momin(V24072),

1st Runner-Up: Team Name: Paneer Sanwich

Team Members: Aniruddha(V23081) , Diksha(V24048).

2nd Runner-Up: Team Name: Lilies

Team Members: Nikita(V24042) , Divya Bhardwaj(V23086) , Raveena Sodhi(D24236).

— showcased exceptional problem solving skills and teamwork, making them the well-deserved winners of the hunt. More than just a game, *Aether Hunt* served as a dynamic reminder of how physics can transcend classroom boundaries, becoming an exciting medium for exploration, discovery, and collective learning.
