

Quizzics: The Ultimate Quiz

The Physics Club successfully hosted its second flagship event, **Quizzics: The Ultimate Quiz**, which witnessed the enthusiastic participation of nearly 50 students. Conceived as an intellectual respite from the rigors of routine academics, the event aimed to engage participants in stimulating activities that celebrated the pervasive presence of physics in our everyday lives. Through a series of thought-provoking quiz rounds, students were encouraged to perceive physics not simply as an academic discipline, but as a profound framework shaping our understanding of the universe. The atmosphere was charged with enthusiasm, collaboration, and healthy competition, making the event both memorable and impactful. Showcasing their sharp intellect and quick thinking, the winners —
